RESIDENT MOVE-IN COORDINATION

Simplify the move-in process to focus on new resident experience.

WHAT IS RESIDENT MOVE-IN COORDINATION?

Our highly-experienced team of nurses and care coordinators alleviate the burden of the move-in process for the resident, family members, and community by ensuring an accurate and complete move-in assessment. We gather and process all administrative documentation to ensure a smooth move-in day experience by utilizing consistent, focused processes.

RESIDENT MOVE-IN COORDINATION IN ACTION

Increase census and revenue in the most effective manner possible without taking away from your nurses' time and resources. We will:

- // Perform initial resident move-in assessment
- // Handle full-service coordination of care with:
 - Discharge planners
 - Primary physicians
 - DME
 - Pharmacy
 - Medical insurance
 - In-house clinical provider
 - Medicare third-party vendors
 - Long-term care insurance setup
- // Perform 14-day assessment

OUR VALUE DRIVERS

RETENTION

Free your nurses' time to do what is most important in the move-in process rather than what is most urgent.

EXPERIENCE

Enhance the resident experience by utilizing consistent processes with an unbiased third-party.

REVENUE

Expedite revenue by utilizing dedicated clinical and administrative resources for more efficient move-ins.
